Missing Maddie: Evidence 'points to sex offender'

A PROSECUTOR who believes Madeleine McCann was killed by a German sex offender says the public would reach the same conclusion if they "knew the evidence we had".

Hans Christian Wolters revealed that while his team does not currently have enough evidence to charge Christian B, he is "very confident".

Their prime suspect is in prison in Germany for drug smuggling and rape.

Madeleine (above) disappeared in 2007.

She was on holiday with her family in Praia da Luz, Portugal – the same resort where Christian B, 43, raped a 72-year-old American woman.

Mr Wolters said: "If you knew the evidence we had, you would come to the same conclusion as I do."

"But I can't give you details because we don't want the accused to know what we have on him."

You'll need to be 18 to play lottery

THE age limit for playing the National Lottery is set to be raised from 16 to 18 from next October as the government moves to crack down on gambling.

The government has pledged a "major and wide-ranging review" of the sector, which may include limits on online stakes and restrictions on advertising.

Betting firms could also be banned from sponsoring football shirts.

The current legislation, established in 2005, was "an analogue law in a digital age", the government said.

BORIS BID TO SAVE BREXIT TRADE DEAL

UK Prime Minister Boris Johnson will travel to Brussels later this week to meet European Commission President Ursula von der Leyen in a last-ditch bid to reach a post-Brexit trade deal.

It comes after a 90-minute phone call between the two leaders on Monday failed to produce a breakthrough.

In a joint statement, they said the conditions for a deal were "not there".

"Significant differences" remained on fishing, business competition rules and governance of any deal, they added.

"We asked our chief negotiators and their teams to prepare an overview of the remaining differences to be discussed in a physical meeting in Brussels in the coming days," the leaders said.

Wednesday or Friday appeared the "most likely" dates.

EU chief negotiator Michel Barnier and his UK counterpart Lord Frost have been locked in intensive talks for the past week.

They met again yesterday to draw up a list of outstanding differences.

And on Thursday, EU leaders will meet at a summit in Brussels.

Mr Johnson warned that talks with the European Union on a trade deal were proving "very tricky" ahead of a crunch meeting with Brussels' top official.

The Prime Minister said he was still hopeful about reaching a deal but added it was proving "very, very difficult" to make progress.

Summer hols abroad are back in 2021

BRITONS will be able to go abroad on summer holidays next year, the government's coronavirus vaccine tsar has predicted.

Kate Bingham said that while the virus would never completely disappear, by the summer of 2021 "we should be in a much better place to get on planes".

The coronavirus vaccine taskforce chairwoman (above) told BBC Radio 4's Today programme: "My gut feel is that we will all be going on summer holidays."

"It is likely that those people most at risk will be vaccinated through to April, and then the JCVI (Joint Committee on Vaccination and Immunisation) and the Department for Health will consider how to broaden out the vaccinations to other adults."

"I don't think we're going to get away from this virus ever – so we're going to have to maintain sensible hygiene and washing hands, and so on."

"I would like this vaccine to be as routine as an annual flu jab."

1 in 4 deaths involve virus

ONE in four deaths in England and Wales registered at the end of November involved coronavirus, new figures show.

There were 3,040 deaths registered where "novel coronavirus" was mentioned on the death certificate in the week ending November 27, the Office for National Statistics (ONS) said.

This is 24.4% of the total deaths registered during that week, and the highest number of deaths involving COVID-19 since the week ending May 15.

It is also up from 2,697 deaths in the week to November 20 – a jump of 13% (343 more deaths).

The overall number of deaths registered in England and Wales in the week ending November 27 was 12,456.

NOT A BARD START!

William Shakespeare is one of first to get COVID vaccine

A 90-YEAR-OLD grandmother from Coventry and a Warwickshire pensioner called WILLIAM SHAKESPEARE yesterday became the first people in the world to get an approved coronavirus vaccine.

The historic 'V-Day' saw the UK take a gigantic step towards ending the pandemic.

The NHS started the biggest vaccination drive in British history at 50 hospital sites – where the UK's new weapon in the war on COVID-19 is being rolled out to the over-80s, the vulnerable and frontline hospital and care home staff.

At 6.30am Margaret Keenan, who turns 91 next week, was the first person in the world to

She said: "I feel so privileged to be the first person vaccinated against COVID-19."

Normality

"I can't thank May and the NHS staff enough who have looked after me tremendously."

"And my advice to anyone offered the vaccine is to take it. If I can have it at 90, then you can have it too."

In a world first move that NHS chiefs hope will mark the "first step on the road back to normality", thousands of Britons will roll up their sleeves and take a shot of the new Pfizer/BioNTech jab, which is heralded as being 95 per cent effective.

Health Secretary Matt Hancock said he had tears in his eyes as he watched Mrs Keenan getting the jab after a grim 2020.

He tweeted: "It's V-Day. Thank you to everyone who's made this possible, from clinicians, NHS admin staff, doctors, nurses, everyone who volunteered in the trials & those getting the jab today."

MOUNT EVEREST 34 INCHES HIGHER

THE world's highest mountain is now even higher, boffins have agreed.

Mount Everest is almost 34 inches (0.86m) higher than had been previously officially calculated, Nepal and China jointly announced.

Until now the countries differed over whether to add the snow cap on top.

The new height is 8,848.86m (29,032ft).

China's previous official

measurement of 8,844.43m had put the mountain four metres lower than Nepal's.

Everest stands on the border between Tibet and Nepal and mountaineers climb it from both sides.

The brutal, virus-crazed Chinese occupy Tibet after invading the country in 1949.

Officials at Nepal's foreign ministry and department of survey said surveyors from both

countries co-ordinated to agree on the new height.

Chinese authorities had previously said Mount Everest should be measured to its rock height, while Nepalese authorities argued the snow on top of the summit should be included.

Nepal's government officials said they had decided to go for a fresh measurement to "set the record straight once and for all".

KATIE'S PIDDLE RIDDLE!

WEE TRICK?
Popbitch claims model tinkled on floor at award bashes

IS Katie Price a secret celebrity slasher?

That's the claim going around the internet about the former glamour model.

Infamous gossip website Popbitch has "leaked" the news that Katie, 42, used to have a special wee trick for showbiz parties.

It claims that, as Katie's fame grew, she got fed up of trying to go to the toilet at award ceremonies as she'd be stopped on the way by so many people wanting selfies.

Fun

Popbitch reported: "Being an adored celeb might seem like it would be fun for a while, but it quickly starts to grate when all you want is to nip for a quiet wee without anyone bothering you."

"Katie Price is full of tales about how fed up she would get at VIP events

with everyone stopping her when she tried to go to the toilets, all wanting selfies and asking for autographs, that she eventually gave up.

"Instead, she'd just sit on the edge of her seat. As she rarely wore underwear anyway, she would pull her skirt up and piss on the floor under the table."

"All the while being sure to smile for any cameras or fans nearby."

Katie has not publicly commented on the story, which was part of the website's free Thursday newsletter to subscribers last week.

CLARKSON IS PEST PLEASED
JEREMY Clarkson has said he is glad the latest *Grand Tour* special is about to arrive – so fans will stop pestering him on social media.

Clarkson (right) is joined by Richard Hammond and James May for *The Grand Tour Presents: A Massive Hunt*, set to launch on Amazon Prime Video later this month.

The long-awaited Madagascar special of the motoring show was delayed by the coronavirus pandemic.

Clarkson said: "I am glad. It means people will stop going on social media and asking me every 25 seconds 'why haven't you released it yet?' It's not me! But, anyway, it's finally ready."

Welsh blast
Wills & Kate
tour of UK

WELSH Health Minister Vaughan Gething has criticised the Duke and Duchess of Cambridge's decision to travel to Wales as COVID cases rise, saying he would prefer it if "no-one was having unnecessary visits".

Mr Gething said he was not "particularly bothered or interested" when asked during by BBC Radio 4's *Today* programme if he thought Wills and Kate (above) should come to Wales.

But he said their visit, as part of a national tour by royal train, should not be used by people as an "excuse" to say they are "confused" about COVID regulations.

Mr Gething echoed the sentiment of Scotland's First Minister Nicola Sturgeon, who suggested the duke and duchess should not have travelled to Edinburgh on Monday, despite their office being made aware of restrictions for those wanting to cross the border.

Teen sex yarn most-watched iPlayer show!

TEEN sex drama *Normal People* was BBC iPlayer's most popular series of 2020 after it was streamed more than 62 million times.

The telly adaptation of Sally Rooney's novel proved to be more popular on the platform than other leading shows – including *Killing Eve* and *MasterChef*.

There have been 5.3 billion streams across all content on iPlayer this year – a 33% rise on the same period last year and a new record for the BBC.

Killing Eve was the second most watched show – streamed 39,344,000 times.

Cookery programme *MasterChef* ranked third with 22,206,000 views, followed by legal drama *The Split* with 18,939,000.

The single most popular episode of a programme on iPlayer was the series three opener of *Killing Eve*, which was streamed 7,398,000 times.

The first episode of *Normal People* – starring actress Daisy Edgar-Jones (above) as teen Marianne – was streamed on 6,378,000 occasions.

Bad Sex axed in 2020 over coronavirus

THE Bad Sex Awards for 2020 have been cancelled – because organisers reckon this year has been bad enough already.

The annual awards – organised by the snooty *Literary Review* – give prizes for toe curling sex scenes in books.

The award's 2020 judges said they took the decision to scrap this year's event as they felt "the public had been subjected to too many bad things this year to justify exposing it to bad sex as well".

A spokesman for the awards said: "With lockdown regulations giving rise to all manner of novel sexual practices, the judges anticipate a rash of entries next year."

The prize was set up in 1993 by Auberon Waugh.

A TOP space official claims that aliens are real and secretly in contact with governments all over the world – but are keeping their existence quiet because humanity isn't ready".

What's more, President Trump was all set to tell the world about the secret pact – but was silenced after a visit by a delegation of SPACE HEAVIES!

Haim Eshed – a former general who was head of Israel's space security programme for 30 years – described a so-called "Galactic Federation" which supposedly runs an underground Mars base in a secret pact with Washington.

Blurtng

But the aliens had to intervene to stop Donald Trump when he appeared "on the verge" of blurting out their secrets, he told respected Israeli paper *Yediot Aharonot*.

He continued: "Trump was on the verge of revealing, but the aliens in the Galactic Federation are saying, 'Wait, let people calm down first'.

"They don't want to start mass hysteria. They want to first make us sane and understanding."

And Eshed, 87, says the aliens will not come into the open until humanity can "evolve and reach a stage where we will understand what space and spaceships are".

Eshed did not say how long the aliens have been hiding in the shadows but said some of the supposed contact had taken place during Trump's recent reign as US President.

The ex-space official said he had come forward now in the unlikely hope

ONE-THIRD 'DO A HYACINTH' ON THE PHONE

MORE than a third of people change their voice on the phone, a new poll shows.

And like Hyacinth Bucket (right) from the 1990s sitcom *Keeping Up Appearances* – who always pronounced her surname "Bouquet" – 46% of those who alter their phone voice try to appear more well-spoken.

Three in 10 change their voice as they want to sound more

intelligent while 10% want to sound more fun, said the poll by Santander UK.

Meanwhile, 8% said they change their voice without realising it, but they are made aware by others.

Clients, workmates and strangers are among the people that those surveyed often change the way they speak for.

And about a fifth

said they automatically alter their voice when answering a number they don't recognise, while 17% of people surveyed across the UK said their regional accent comes through more strongly when talking on the phone.

People in Aberdeen are most likely to change their voice. Residents of Sheffield were the least likely to do so.

Sound barrier legend Chuck dies aged 97

LEGENDARY airman Chuck Yeager – the first pilot to break the sound barrier – has died, aged 97.

His wife Victoria said on Twitter: "It is with profound sorrow I must tell you that my life love General Chuck Yeager passed."

"An incredible life well lived, America's greatest pilot and a legacy of strength, adventure and patriotism will be remembered forever."

She gave no details on the cause of her husband's death.

A World War II fighter pilot, Yeager was propelled into history by breaking the sound barrier in the experimental Bell X-1 research aircraft in October 1947 in Southern California.

And he helped pave the way for the US space programme by flying at Mach 1.05 (805mph) at an altitude of 45,000 feet.

Chick later said of the feat: "You don't do it to get your damn picture on the front page. You do it because it's your job."

Mountain man Doug loses his cancer battle

TRIBUTES have been paid to English mountaineer Doug Scott, who made history conquering the world's toughest peaks.

The 79-year-old, who had cancer and who was made a CBE in 1994, wrote his name into the record books by being the first adventurer – along with Douglas Haston – to climb Mount Everest's south-west face, rather than the "tourist friendly" route, back in 1975.

Two years later, he broke both legs while abseiling from the top of The Ogre, a relatively uncharted peak in the Himalayas, and effectively had to crawl back to base camp supported by two teammates.

Mountaineer Kenton Cool lead the tributes yesterday, saying of Doug: "Possibly the greatest mountaineer of his generation."

THE BUST tweets OF THE DAY!

Cardi B explains raunchy tracks

I LOVE MY PUSSY... I LOVE SEX!

SINGER Cardi B insists that she'll carry on rapping about her FANNY.

Her controversial sex song *WAP* – featuring fellow female rapper Megan Threee Stallion – was the song of the summer, topping charts on both sides of the Atlantic.

But despite *WAP*'s widespread success, some US Republican commentators took issue with the raunchy lyrics – especially the title, which is short for wet-ass pussy.

Naughty

But New Yorker Cardi, 28, is typically ignoring her critics.

She said: "I want to show people that you can do positive things, but you can also be yourself."

"I'm a very sexual person. I love sex and I like to rap about it."

"I like to do it. I love

my body and I want to be able to express that."

"I'm just a naughty girl and I'm not hurting nobody because I love my pussy and want to rap about it."

The mum-of-one also talked about getting political, having sat down for an interview with President-Elect Joe Biden and openly speaking out against Donald Trump.

She said: "I like justice. I like to work and be creative... I know

I'm a role model because I know there's a lot of women like me.

"At the end of the day, I know I'm a bitch that made it through because I work my ass off."

After Biden's election win, crowds gathered in front of the White House and sang along to *WAP*.

Cardi said: "The song, to me, was just a regular raunchy female rap song, but it caused so much controversy."

"So it was just a victory for me seeing people celebrating Biden's win with my and Megan's song."

Here boy... and watch me w*nk!

A MAN flashed a DOG by yelping "Here boy!" – then dropping his trousers and furiously masturbating in front of the mutt and its shocked owner.

The 32-year-old dog walker, who wished to remain anonymous, explained how the man called out to her dog as she walked in Hockley Woods, near Southend, Essex.

She turned around and spotted the man with his trousers round his ankles.

He was described as wearing dark clothing and a baseball cap and said to be "pleasuring himself".

The woods has seen a spate of men exposing themselves and walkers have been warned to be on high alert.

The woman, from Hockley, said: "I was shocked more than anything, why would you do that?"

Borneo outrage over cannibal computer game

PEOPLE living on the faraway island of Borneo have slammed the makers of a computer game for depicting them as cannibal headhunters.

Fantastico Studio last week released on Twitter the trailer for their new game, Borneo: A Jungle Nightmare.

The horror graphic adventure game is set in the jungles of Borneo, where players fight against and run away from cannibals.

In the trailer, native Borneans are portrayed as grotesque cannibalistic figures hunting down players with strange weapons.

The trailer has since sparked a significant amount of backlash online from countless netizens who criticise its tone-deaf nature and the negative stereotypes it perpetuates.

Many have denied that everyone in Borneo is a cannibal.

The Hungarian MEP, notorious for his anti-gay speeches, resigned after he was caught at the party in Brussels last week.

He received a fine for violating Belgium's coronavirus measures.

TEEN SEX NYMPHO SHAGGED PRISON GUARD

A WOMAN who admitted to wanking off a teenage boy over two years ago is off to prison after a judge found she violated the terms of her probation.

Among the "concerns" shared by sex offender counsellors was Bonnie Rohn shagging a prison officer at Northampton County Prison in Pennsylvania, where she served her original sentence.

Rohn, now 37, pleaded guilty in October 2018 to a single count of statutory sexual assault.

Authorities said Rohn met the teenage victim through her now ex-husband, who worked as a high school wrestling coach.

The victim came from a difficult family situation, and Rohn took him in.

Investigators say Rohn admitted to molesting the boy by wanking his hard cock until he ejaculated at her Hellertown home.

In February 2019, Judge Anthony Beltrami sentenced Rohn to two years in Northampton County Prison and made her eligible for work release. Rohn was paroled

after a year and began outpatient treatment.

The county probation department determined last month that she violated probation and ordered her taken into custody.

As well as shagging the prison guard, counsellors reported

that Rohn refused to admit that wanking off the lad was wrong and also tried to contact other teens for sex.

Judge Beltrami ruled that Rohn should go to the tougher state prison to serve the rest of her sentence.

A probation source said: "This woman will do anything for sex. She's a goddamn nymphomaniac."

MAN 'BATTERED CAT INTO FURRY MINCE'

POLICE have arrested a man accused of killing his father's cat with a frying pan – a day after he was released on bail on charges that he stole his mother's car.

Ryan Carleton, 43, faces charges including animal cruelty and violating the conditions of his previous release.

The man's father called police in Portland, Maine, to report that he had found his cat's body after he let his son stay with him the night before.

The cat was reportedly "battered into a sort of furry mince".

Carleton is being held pending a court hearing.

Boy, 5, took gun to school

A FIVE-YEAR-OLD boy brought a gun to school after grabbing an adult's backpack by mistake.

The boy pulled the weapon from the bag during class at Anne E. Moncure Elementary School in Stafford, Virginia, the Stafford County Sheriff's Office said in a statement.

School staff immediately confiscated the firearm and called the sheriff's office.

An investigation revealed the boy had accidentally grabbed an adult's backpack – which had the gun inside – before he was dropped off at school.

Charges against the gun owner are pending.

FOOT PERV PAEDO 'SEXTORTED' GIRLS

A FOOT fetish paedo used social media to coerce pornographic selfies and photos of feet from more than a dozen underage girls.

Bradley Garyn, 27, of Melville, New York, now faces up to 15 years in prison for the "sextortion" of girls ages 12 to 15.

Garyn (*below*) allegedly contacted girls on Snapchat using multiple user names. He would offer them £10 in exchange for the dirty photos, paying via the Cash App or Amazon gift certificates, Suffolk County DA Timothy Sini said.

Garyn would up the ante for increasingly graphic photos – paying up to £500, Sini said.

And at least once, Garyn coerced a victim into sending him photos and video by threatening to share her previous images with others.

UNDIE RATED:
Em looks rear-ly sexy

By JAYNE FERGUSON
news@sundaysport.co.uk

THE visible thong trend has returned from the 90s.

It was loved by stars like Christina Aguilera decades ago but is now being rocked by Gillian Anderson, Kim Kardashian and Hailey Baldwin.

And it hasn't taken long for retailers to jump on the bandwagon.

ASOS is cashing in on the nostalgic craze by selling "thong back" dresses for £20.

Em Davies modelled one of the frocks in a stunning Instagram picture, where she clutched onto a matching bag and a glass of bubbly.

Here at *Sunday Sport*, we're big fans of thongs and applaud anything that shows 'em off.

But we also like a bit of tit.

So here's five pages of topless lasses showing off their skimpy undies...

THE ZOMBIE MONSTER OF YORKSHIRE

TRAGIC: Hobson killed pretty twins Diane and Claire

VICTIMS:
James and
Joan Britton
were stabbed

VIOLENT alcoholic Mark Hobson warned friends of the 'evil' that lurked within him. And following the killing spree that left four dead – including female twins – the scar-faced psychopath came too embody that four-letter word.

Hobson's case was a sickening rampage that involved blunt-force trauma, harrowing torture, sexual sadism...and even possible cannibalism.

And after his actions left veteran police officers suffering psychological damage, Hobson was told he will NEVER be freed from the cage he occupies at HMP Wakefield...

THE lush fields and gently rolling hills of North Yorkshire attract countless tourists looking for rural tranquillity.

But, for a terrifying week in July 2004, the pastures around York weren't teeming with walkers, they were swarming with armed police for one of the biggest manhunts in

British history.

And when, six days later, bimbo Mark Hobson, then 35, was arrested at a petrol station, he had left a gruesome trail of terror in his murderous wake.

The events had begun two weeks earlier, on July 10.

Violent

Hobson rowed with his girlfriend of 18 months, Claire Sanderson, 27, in the flat they shared in the pretty village of Cramblesforth.

It was an argument that would not end well.

It was also the tragic end of a relationship that had long been a violent one.

Hobson attacked his lover with a hammer, raining down 17 blows to her skull, before wrapping a plastic bag around her head.

And as the heavy drinker sat on his blood-soaked sofa and watched Claire's life

By KOURTNEY KENNEDY

news@sundaysport.co.uk

drain away, he hatched a plan that would shock Satan himself.

Hobson had confided in a co-worker that it wasn't Claire heusted after, it was her twin sister Diane.

He felt he'd moved in with the wrong sibling.

He knew Diane that loathed him for the hurt he'd caused Claire, so he connived to lure her to the flat.

He penned a chilling 'to do' note, writing, 'Use Claire's phone. Tell Di to come down. Use and abuse at will.'

A shopping list hinted at how he planned to dispose of the bodies. It said, 'Big bin liners, tape. Tie wraps. Fly spray.'

Before he honed in on Diane, the killer – with a distinctive scar above his left eyebrow – spent

a week living with Claire's decomposing body, calling the corpse his "little China doll".

Deranged Hobson, who often drank 20 pints of beer a day, even put Claire's body in a sleeping bag to "make her more comfortable".

It was as if the attack had never happened – he slept on the couch as Claire slumbered eternally in the bedroom.

Plot

On July 17, Hobson set his second, terrible plot in motion.

He called Diane to say Claire had glandular fever and could she come to visit.

Diane set off from her parent's house in nearby Snaith village, arranging to meet her boyfriend, Ian Harrison, later that night at a pub in Selby.

IN FRIDAY'S

But Diane would never make it.

Within moments of her arrival at the flat, Hobson launched a brutal assault.

While neighbours heard piercing screams, they put it down to another all-too-familiar row between Hobson and Claire.

Instead, it was Diane pleading for her life as Hobson beat her with a hammer, 'hogtied' her arms to her legs behind her back, and carried out a vicious sexual assault before ending her ordeal by strangling her.

A court later heard how her left nipple had been bitten off...and presumably eaten by Hobson.

These acts of extreme cruelty mark him out as one of the most twisted

individuals currently being held in a UK jail. And Hobson wasn't done yet.

When Diane failed to show up at the pub, boyfriend Ian raised the alarm.

On the morning of July 18 both Ian and the twins' father George drove to the flat and pushed open the unlocked door.

Naked

Both girls were found naked, covered in bin bags, in the bedroom.

Devoted dad George later described the discovery that led him to suffer post-traumatic stress syndrome.

He said: "I found my girls robbed of their life and their dignity."

"They came into this world together and left it so tragically together."

Recalling the bags which now housed the two daughters he'd nurtured for 27 years, he added: "I knew Claire was inside. I looked at Diane and wanted to cuddle her."

As North Yorkshire Police launched a murder investigation, Hobson was making his way to Strensall, near York.

There he walked into the home of frail WWII pilot James Britton, 80, and his wife Joan, 82. Mr Britton was attacked first, beaten around the head several times with his own walking stick before Hobson plunged a 12-inch knife into his chest.

Then, as Mrs Britton hobbled into the room, Hobson buried the knife into her back, piercing her stomach and liver

and causing the handle to snap off at the blade. Grabbing another knife from the kitchen, Hobson went on the run.

It didn't take long for cops to link the murders – witnesses had seen Hobson lurking around Strensall.

Punishment

But it took seven days of frantic searching until Hobson was finally apprehended on July 25. His arrest followed a tip-off by a petrol station owner in Shipton-by-Beningbrough, who'd spotted Hobson coming in to buy a packet of cigarettes.

On his arrest, Hobson told police: "I'm a f**king murderer, aren't I? I'll take my punishment."

At Leeds Crown Court on May 27 the following year, Hobson pleaded

guilty to four counts of murder.

The judge, Mr Justice Grigson, ordered him to die in prison, saying: "You not only destroyed the lives of your victims, but you devastated the lives of those who loved them...The enormity of what you have done is beyond words."

While banged up, Hobson wrote to and was visited by former neighbour Donna Kemp. He confided in her: "There's something evil inside me that comes out when I drink."

"I enjoyed defying everything. That's the bad side lurking in me."

LESBIAN YOGA TEACHER BEGS FOR SPUNK!

TRYING
FOR A
BABY:
Rosie

A LESBIAN nude yoga teacher has taken to social media...to beg for SPUNK!

Rosie Rees, who also founded Yoni Pleasure Palace, and her 29-year-old girlfriend Ash MacDonald are hoping for a 'blonde haired, blue eyed' baby within the next two years.

The Aussie couple, who had both previously been in heterosexual relationships, have been together for two-and-a-half years after Ash's marriage ended.

They began publicly documenting their romance on Rosie's Instagram page – so when they decided to have a baby together, it felt natural to continue this process.

Rosie quit her corporate job in finance four years ago to start her nude yoga practice.

Embrace

It specialises in helping groups of up to 30 women of all shapes and sizes to embrace their bodies.

Rosie said she was never maternal or wanted children until she met Ash, instead focusing on business.

Ash has a four-year-old daughter from her marriage and was adamant when she met Rosie she wanted two more children.

Ash said they began the process of trying for

baby the traditional way with an IVF clinic before hearing about the Facebook group, Sperm Donation Australia.

"I did a lot of research and reading and read scientific articles on donor children and donor parents," Ash explained.

The couple advertised on the Facebook group asking for a donor with blonde hair and blue eyes.

They got hundreds of offers from men eager to donate their sperm.

The eventual donor arrived at the couple's house and went into a spare room, where he filled a cup with sperm and then texted them to say he'd left and good luck.

Unfortunately, they were unsuccessful that time and will try again in the new year.

NAUGHTY Jamie Jenkins hardly looks the shy type – so it's no surprise to learn she's keen on trying a filthy **FOURSOME**!

The 32C cutie, from Cobham in Surrey, said she loves the idea of having multiple partners at the same time.

Jamie, 26, said: "I'd love to have a kinky

foursome, and it would have to be with two women and one man – that way the women are totally in charge.

"Me and the girls would have a bit of a fool around and the guy would have to satisfy all of us until he's absolutely spent. "He'd need plenty of stamina!"

WHAT'S ANNOYING HIM THIS WEEK?

Has Ellen... sorry Elliot, ever pissed up a wall?

ANOTHER Hollywood name is fiercely declaring the absolute truth is no longer the truth at all – and that unless we agree, we're definitely something "1st" or suffer from an "ism".

You've probably already read that the Canadian actress Ellen Page announced last week that she's now a bloke called Elliot.

Oh, and that deep down, she always has been said man.

And the usual suspects in the *Guardian* and on Twitter, shrieking and weeping with joy, rushed to support this apparently brave announcement with lots of heart and care emojis.

Just one problem with this, though, isn't there? "Elliot" – formally but nonetheless very well-known as Ellen – is about as much of a man as I am a woman.

As in – not in the slightest.

Without going into delicacies about periods, puberty and penis envy, the idea of men and women being somehow easily interchangeable is an insipid, fantastical sorcery that lives only in one section of life.

Erection

You know, that odd place where *Guardian* readers live.

Because I doubt very much, for instance, that young(er) Ellen ever played a part in the time-honoured tradition among young males of how high you can cheerfully piss up a urinal wall in company.

Or any other wall, for that matter.

Somehow, hitching your skirt and squatting on the pavement trying to make the biggest splash doesn't seem to hold the same sense of masculine achievement as does a wee wall.

Nor will she ever have at any stage in her female existence woken

with a raging erection for no reason at all other than simply being awake.

And let's not forget the Ellen we all got to know through the cinema or TV screen.

She – yes, SHE – got active in her chosen career at an early age, which really is to be applauded.

Her breakthrough role was as a teenage girl who gets pregnant in *Juno*.

Then, six years ago, she proudly declared herself as gay and hardly anyone – in the west, anyway – batted an eyelid, as we now hopefully exist largely in a live and let live society.

But now that the vast majority of people accept gay people are as normal as the sun rising in the morning, some of them appear to feel

I AM TRANS:
Page has decided
she'd rather be
a bloke

like their message is disappearing and have to up the ante.

So now, for some, it seems no longer great to JUST be gay.

No, you have to attempt to change your unchangeable biological sex and pretend you're something that you actually are not in any way, shape or form.

Then you outrageously want everyone else to say the same – to make them blatantly lie about something they know to be entirely untrue.

Ellen and Co are welcome to their new ideas of existence, and I wouldn't want to see anything befall them because of it.

But don't ask the rest of us to be complicit in your lie – and don't threaten us for saying so.

One way or another, it's all bollocks.

Jealous man set stepdad's lover on fire

A NUTCASE set a woman he fancied on fire after finding out she was in a relationship with his stepfather.

Luis Angel Quinonez, 53, was accused of dousing Angelica Acosta Blanco, 61, with gasoline and igniting her.

Firefighters called to the home in Lantana, Florida, found Quinonez using a garden hose on the burning woman after she ran outside.

Quinonez (above) told cops he was furious about the "romantic relationship" between Acosta Blanco and his stepfather, Feliberto Alvarez, because he too was in love with her.

Quinonez, who said he had been drinking, poured gasoline on her and set her on fire using a lighter.

The victim was taken to a local hospital in critical condition and then flown to Jackson Memorial Hospital in Miami with second- and third-degree burns.

Quinonez has been charged with attempted first-degree murder.

Maids accused of pissing in food before serving it

TWO household maids have been accused of mixing their bodily fluids into food and serving it to the families they work for.

Canares Rowena Oia, 43, was hauled into a Singapore court on a criminal mischief charge after she allegedly mixed her urine and menstrual blood into a rice dish.

Her lawyer has denied the allegations.

In an unrelated Singapore case, a maid is accused of using similar tactics when it came to cooking for the family she worked for.

The woman, identified only as Diana, allegedly thought mixing her bodily fluids into the family's rice and water would keep them from rebuking her over the quality of her work.

She was also accused of stealing from the family.

MISS DODGES JAIL FOR SEX ROMPS WITH TEEN

RAUNCHY TEXTS:
Robinson told lad: 'Your thick cock filled me up'

A RANDY teacher has dodged jail after she shagged a teen pupil and told him she wanted to "drown in his sperm".

Chelsea Robinson, 30, was sentenced to four years of Specialized Sex Offender Probation for sexually abusing a student.

She was arrested in 2018 after police learned from a then 17-year-old student that they were in a sexual relationship.

In an ensuing investigation, Robinson confessed to cops that she and the teenage victim engaged in sexual intercourse on at least three occasions at her home in Danville, Illinois.

Police also found a string of incriminating text messages between the pair.

In one, Robinson, who was a teacher at Danville High School told the lad: "Your thick cock filled me up. I felt like my pussy would burst."

Hot

In another, she texted: "I have never known a guy come so much and so hard. Rivers of come from your cock."

"I would like to drown in your hot sperm."

Several witnesses spoke during the sentencing hearing, including Robinson herself, her mother and her pastor.

In a news release, Vermilion County State Attorney Jacqueline Lacy said: "During

cross-examination of the witnesses, it was revealed that Robinson, to this day, believes that she was sexually assaulted by the minor.

"Thereafter, she explained through questioning by her attorney that though she was 'taken advantage of,' she pleaded guilty because she 'was the adult' in the situation."

The victim's mother also gave a statement at the hearing.

She talked about the profound impact that Robinson's conduct has had on her son, her, and their entire family, according to Lacy.

She also referred to prosecution requests that Robinson serve five years in prison for her crime.

Lacy added that as part of her sentence, Robinson must register as a sex offender for the rest of her life.

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M a 45-year-old woman and I love being shagged by younger guys. I recently got divorced so a friend took me out to a nightclub where I pulled an 18-year-old hunk.

I got him in a quiet corner out of sight, slipped out of my panties, straddled him and then rode his mighty weapon until he exploded inside me.

He didn't last very long, so I went on the prowl. I got chatted up by a few fellas but this tall bald fella took my eye.

I took him back to mine and he was soon pumping me fast and hard from behind. Then he slipped his cock into my bum and I screamed with pleasure when he came in my arse.

Now my pal says she won't go out with me again because she thinks she'll get a bad reputation.

What do you think?

TC, Sheffield

Sam says...

FIND a new pal.

Dear Sam,

MY mate's bird loves getting her tits out and a couple of weeks ago, knowing that I'm a keen amateur photographer, she asked if she could pose for me.

I agreed, so she came to my place and it wasn't long before she was naked and letting me snap her right up her fanny.

She's 19, blonde, with massive boobs and a cracking body, and I soon had a rock-hard cock.

Seeing that I was really turned-on, she just smiled and said: "Well, are you going to f**k me, or what?"

I didn't waste any time and knobbed her twice. I left my camera on and got some great pictures of me doing her.

They were so good she agreed I could send them to an adult magazine and they were printed. But her boyfriend saw them and he's now threatening to do me a mischief.

What should I do?

I dread telling sis about love-rat squash hubby

Dear Sam,

MY sister and her husband always seem happy and go everywhere together, except when he plays squash.

I was passing the squash club one night when I decided to call in, but I was shocked when I saw him at the bar kissing and cuddling a young blonde.

I went and sat in my car. Then my brother-in-law and the blonde came out and got into his van.

I crept over to peep in. I was appalled to see them sucking each other frantically in the 69 position before he mounted her from behind.

I quickly drove to my sister's, but she looked so happy I hadn't the heart to tell her what I'd seen.

Should I tell her that her hubby's a love-rat and risk breaking her heart?

MR, Essex

Sam says...

TACKLE the cheating hubby first, but if he won't give up this girl, then you should tell your sister.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Tipsy first taste of lesbo lust was mind-blowing!

Dear Sam,

I'M a 21-year-old student and my fella has been pestering me for a while to have sex with another woman while he watches.

It started a couple of months ago when I was on a night out with my course group and one of the girls came on to me.

At first I was a little taken aback, as I have never been with a woman before – although I have sometimes fantasised about it.

But as the night wore on and I got more and more tipsy, the thought of it really began to turn me on.

And when she gave me a goodnight kiss, I was thrilled as she slipped her tongue deep inside my mouth.

Juices

It was as if the decision had been made for me and I was quite willing to go along with it.

My whole body tingled as her hands held my bum, pulling my pubic mound to hers.

The sweet taste of her mouth got my juices flowing so much that when she asked if I wanted to go back to her place, I didn't hesitate.

As soon as the door to her flat closed behind us she quickly lifted my top, removed my bra and sucked and licked on my erect nipples as her hands fumbled with my zipper.

We moved into the living room, where she pushed me back on the sofa and pulled down my jeans and

panties to leave me totally naked. I couldn't believe how wonderful it felt as she slowly spread my thighs and began fingering my pussy lips.

Then she leaned forward and teased my clit with her red-hot tongue.

Within minutes I was experiencing the most powerful orgasm of my life.

I've never been what purveyors of left-field grot flicks would call "a squirter" – and I still don't think I can truly count myself among their moist ranks – but the wetness of my womanhood was something to behold at that lusty moment.

Then it was the turn of my sapphic sex buddy. I felt nervous as she slipped off her clothes right in front of me.

But as she revealed more of her gorgeous body, it seemed natural to pleasure her in the same way she had pleased me.

My first taste of pussy was truly

amazing. I flicked my hungry tongue across her fleshy petals time and time again, before locating her clitoris and going to work on that with some relish.

After she'd had a loud orgasm, we spent the rest of the night licking, sucking and f***king each other – and have done several more times since.

She's even done me up the wrong 'un with a strap-on.

But I made the mistake of telling my fella and he was angry – not for me cheating on him, but because I didn't let him watch.

Should I?

DN, Nottingham

Sam says...

DON'T be pushed into accommodating his sexual fantasies if it's not something that you feel comfortable about.

Dear Sam,

I'D never had sex in a car before last week – and now I'm wondering if I was right to have done it.

I'm not a snob, though being an only daughter means my well-off father has made sure I've been pampered.

I've had three fellas before and, though the sex was unexciting, it always took place at my home when my parents were away, so a degree of comfort was assured.

My latest boyfriend, though, attracted me because he's a bit rough and ready and even looks dangerous.

After taking me for a drink at a rough pub, he drove me to a quiet wooded area and we started kissing.

Soon we were very hot for it and he had my knickers off and his fingers probing me.

I felt so ungainly as he hoisted my legs over his shoulders in the cramped car and entered me with an assured rhythm.

I climaxed with a passion I'd rarely experienced, and he came thickly inside me soon after.

When we'd done, though, my expensive clothes were all crumpled, I was sticky and I couldn't find my undies anywhere.

Have I been undignified?

BW, Berks

Sam says...

OH yes! Great, wasn't it?

So I did as I was told and launched my throbbing dick into her from behind.

She was screaming in pleasure and as I pounded away for all I was worth I could see my girlfriend frantically playing with her fanny until she had a massive orgasm.

Since then my bird has been really randy in bed and she now wants me to shag another of her pals.

Don't get me wrong, I really enjoyed boning her pal but I'm not sure about doing it again with another of her mates because I think it's getting a little too pervy now.

What should I do?

TC, Lancs

ARE YOU KIDDING? MOST MEN WOULD KILL TO BE IN YOUR POSITION.

MY SEX FANTASY

I HAVE a pretty wild fantasy about being devoured at a sex club by a group of men and women.

It would be a dark, bar and sex dungeon type of venue, with pumping house music and I'd go through the doors on my own – a little nervous and unsure what to expect, but excited.

I'd be feeling superminxy, dressed up in skimpy, sexy outfit, a lacy basque with fishnet stockings and high heels.

Getting chatting to people over a few wines eases my inhibitions, along with the feeling of anonymity with us all wearing a masquerade ball mask.

In my fantasy, an attractive man starts caressing me at the bar before another hunk joins us.

It feels like a sensory overload of forbidden pleasure as they take out my boobs and suck on them – then their dicks come out and they're both rock hard.

The wine kicks in and then I'm suddenly hungry for cock, and I'm down on my knees sucking and licking both dicks.

"Then more people join in – women thrusting their giant breasts in my face to lick and someone whose face I didn't quite see is going down on me and I feel like I'm in heaven.

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops*, and for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smalle*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDS at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

Broken Van stalls Kop's title defence

LIVERPOOL will struggle to defend their title without the injured Virgil Van Dijk.

That's the view of Manchester United legend Gary Neville who believes Jurgen Klopp's men would have defended their title without breaking sweat if the Dutchman was fit.

But without him he believes Liverpool will struggle to keep clean sheets — and that gives their rivals plenty of hope.

Critics of Neville will point out that the Reds let seven goals in against Aston Villa with Van Dijk in the side. And they have let in just once in five matches since Joel Matip and Fabio Quagliarella came in.

But Gaz is sticking to his guns, saying: "Losing Van Dijk, I think Liverpool win this league at a canter if Van Dijk is fit."

"I really do, nobody can get near them."

"I still think Liverpool will win the league but there are little things going against them that haven't in the last couple of seasons."

The same for Manchester City and that makes it interesting.

"Chelsea and Tottenham are looking at them thinking 'hmm, they're not right and we're okay here, we're starting to hit form, we're getting closer' and that is giving confidence to them."

"Even Man United players will be sat thinking 'we could have a chance if we play like we could' as daft as that sounds because I don't think they will win the league."

"That's what this

HOPE: Gary Neville

season is doing to us because the top two have set a bar that we've never seen before and now we are starting to see something more normal."

All eyes on Klopp to see if he brings in a new defender when the transfer window opens at the end of the month.

The latest name to be linked with Anfield is RB Leipzig centre-back Ibrahim Konate.

He has a release clause in his contract and would be cheaper than team-mate Dayot Upamecano.

Reports in Germany suggest Klopp is keen on the French under-21 international who has shone in the Champions League this season.

The 21-year-old is valued at around £40m by Leipzig.

The sticking point could be his injury record as he has been sidelined with a knee problem.

TARGET: Konate

CASE FOR DEFENCE:
Holding is looking for more goals

GUNNERS FANS BEING ROBBED

Effort not good enough admits Holding

ARSENAL players are letting the fans down admits Rob Holding.

After their dismal show in losing the north London derby the Gunners have now made their worst start to a season since 1981.

Mikel Arteta's men sit in 15th place and looking over their shoulder at the drop zone more than firing for the Champions League spots.

Only the bottom three have scored fewer than the ten goals managed by the Gunners and they were off the mark again at White Hart Lane.

Holding admits that the fans deserve a lot better than the fare being served up.

He said: "It is frustrating. It is a record that you don't want to be a part of."

"We are frustrated as play-

ers and we are letting the fans down. We need to change that, win some games and put that to bed."

"Obviously their first goal was a great finish by Son and the second goal they caught us on the break."

"They took their chances and that's the story of the game."

"No matter how many crosses we put in, if we don't get on the end of it and put it in the back of the net, it is pointless at the end of the day."

Holding is doing his job at the back a lot better than the attacking players.

They have conceded 14 goals which is less than high flyers Liverpool and Leicester. But the ball needs to start

going in at the other end and this big stopper knows it.

He added: "Finding the back of the net just seems to be a problem at the moment, but hopefully there is going to be a bit of luck to change that. Hopefully the goals will start to come."

"We are getting the chances, it is just putting them away. Maybe the first goal we get will just be a bit of a deflection or a trickle into the net and bit of luck on our side."

"Then hopefully the confidence will be there to carry on and score some more goals. But we just need that little bit of luck to put one in the back of the net."

"We have got to, in training, keep creating chances and taking them and be confident."

"We have got to give the strikers some confidence to

put the ball in the back of the net and hopefully we can get a goal at the weekend."

"I think because we are struggling for goals, we are pushing and sometimes you get countered."

"It is about controlling that counter whilst we are attacking. I think as soon as we get that goal we won't be chasing it as much. We just seem to be chasing them to score a goal."

Despite problems scoring, Arteta has his eye on signing another defender during the January window.

Arsenal are being linked with Manchester City outcast John Stones.

The 26-year-old is thought to be looking for a move after falling down the pecking order at the Etihad and with England manager Gareth Southgate.

BIG MIKE FRANCIS

OUR TOP TIPSTER WITH ALL HIS BEST SPORTING BETS

Reserves still good enough for Reds

JURGEN Klopp himself may be playing tonight as Liverpool finish their Champions League group against Midtjylland.

The German was a strapping centre-back for much of his career and that's the position where the Reds are likely to rest both Joel Matip and Fabinho in Denmark.

Top spot in Group D is sorted already so there's nothing to be gained from risking his stars while there are so many crows at Anfield.

We are likely to see young keeper Caoimhin Kelleher stay in goal with Neco Williams at right-back.

Greek import Kostas Tsimikas is likely to be on the left instead of Andy Robertson.

Then Rhys Williams will play in the middle and we could even see 18-year-old Billy Koumetio at some point.

Look out for plenty of kids further up the pitch too with the likes of Leighton Clarkson and Luis Longstaff likely to figure over the 90 minutes.

So you may think that the home side would be a good bet but they have struggled at this level with just one point from their five matches.

The Danes have nothing to play for either although they would love to take Liverpool's scalp.

They are marooned at the bottom with no route even to

ORIGI CAN HIT EURO TARGET

the Europa League thanks to their poor results.

Alongside the unfamiliar names there should also be the likes of Diogo Jota, Takumi Minamino and Divock Origi so there should be enough on the pitch to nick another win.

The bookies are taking a chance in offering 21/20 for the Liverpool win with the home side unappealing at 23/10 and the draw 3/1.

The home side are locked in a three-way battle for the Danish league so they may even take the foot off the gas

in this dead rubber. So have a few quid on the Liverpool win.

Given that Origi likes a Champions League goal you can boost your odds by backing the Belgian to strike in a Reds win at 14/5 with Sky Bet.

Manchester City have booked their place in the last 16 but they take on a Marseille side that can still nick a Europa League spot with a win.

The French side probably need a win at the Etihad which looks a tall order

even though the home side have nothing at stake.

Pep Guardiola has massive respect for the Champions League and, while he may give one or two stars a rest, he will still put a strong team out.

The City fringe players will want to make the most of this chance and Phil Foden looks a decent bet to hit the target.

He's not a massive price but it's 15/8 for City to win and the young England international to score at any time.

That looks a fair price given that the home side are only 4/11 to win in 90 minutes.

Action

If you fancy an unlikely win for Marseille you can get 8/1 with the draw 4s.

For a massive return, City will be looking to fire in plenty of goals with Ferran Torres also wanting to get in on the action.

They managed to clock up another 5-0 success against Burnley last week and that's a massive 40/1 to happen against the Frenchman.

I will be having a pound on that but my main correct score bet is 3-0 for the home side which is probably more realistic and chalked up at 9/1 biggest by BetVictor.

KEPA'S A KEEPER BOOMS LAMPARD

By ANDY MILLOM

FRANK Lampard says he's in no hurry to sell wantaway Kepa Arrizabalaga.

The £70m signing has been dumped by the Chelsea boss who has shelled out for another No1 in Edouard Mendy who has settled in well at Stamford Bridge.

Kepa says he will take a big wage cut to end his London hell but Lamps insists he will only be allowed to move when the time is right for the Blues.

He said: "There's no pressure to sell. The pressure is to win games. I have to do the right thing game by game. Of course Mendy has made himself a permanent fixture at this point. The pressure to win games means I pick people in form whether it is a striker, winger or goalkeeper, whoever."

"At the same time, the game tomorrow is a chance to give Edou a rest and give Kepa a game. He is training well and he deserves it."

Lampard has been one of the busiest managers in recent windows but there's likely to be less activity at the Bridge this time.

One player who could be on his way out is Billy Gilmour – but only on loan.

The midfielder wants to play for Scotland in next summer's Euros and wants a move to get more game time.

And Lamps has some sympathy with the 19-year-old who has done well when called upon for the first team.

But he sees him as an important player for the future and isn't keen to sell the Scot.

Lampard said: "I don't want to have that thought or conversation until the window opens and it is not open now."

"I value him a lot in this squad."

"You say we have options in midfield, that quickly changes as we

EURO HOPE: Gilmour

have seen with the winger situation. Hakim Ziyech gets injured at the weekend and Callum Hudson-Odoi gets injured in training and the numbers are not so great. I will make that decision going forward."

Gilmour is happy to do whatever his gaffer wants.

He said: "The gaffer has been really good with me."

"He has been speaking to me while I have been injured. I need to work hard here and take my opportunity."

With Scotland I need to play well here to get in the squad."

HITMEN TAKE THE MIK

We MUST start scoring says Gunners chief

MIKEL Arteta is piling the pressure on his misfiring strikers.

The Gunners are mired just outside the relegation zone after their worst start to a season in almost four decades.

The problem is hitting the target with Arsenal having managed a pathetic ten goals in the first 11

Premier League games of the season.

Everton hitman Dominic Calvert-Lewin has scored one more than that on his own.

And the Gunners boss knows that something has to change or he faces the boot.

His tactics are getting

the Gunners plenty of possession but their moves usually stall inside the final third. That's what happened in a tepid display against Tottenham at the weekend.

The Spaniard said: "We need to score goals. If not, it is unsustainable. It doesn't matter what we do in the other departments of the pitch, if we

don't score goals we can do nothing."

"So we need to put the ball in the net urgently."

"To build something you need results. I take a lot of positives for the way we play."

"We play with the personality, the courage, the passion, the energy, the belief, but in the end you have to win."
